-The ViewTech Team

{First Name},

New November Customers - As countless industries have faced an economic crunch during the 2020 global pandemic, ViewTech Borescopes no-cost, no-obligation demo offer has allowed businesses to experience how a high-quality inspection video borescope can reduce inspection times, while improving inspection processes. Two of ViewTech Borescopes newest clients acquired during November business trialed the VJ-3 video borescope prior to ownership. [Read More](#)

INDUSTRY NEWS

Lockheed Martin to Buy Rocket Engine Builder Aerojet Rocketdyne

Lockheed Martin, the largest U.S. defense contractor, announced late Sunday that it has reached a deal valued at \$4.4 billion to acquire Aerojet Rocketdyne, a supplier of engines to NASA's Space Launch System moon rocket and United Launch Alliance's Atlas, Delta, and Vulcan rockets.
