NDT: The Unsung Hero set for a Starring Role in the Future of Industry

When we board a train, cross a bridge or enter a shopping mall, we rarely stop to worry whether the structure is sound. Thanks to the inspection industry, we now take safety for granted.

The Oil Majors Leading
The M&A Boom In Oil

Last Major Module
Received at Vogtle

And Gas

European supermajors BP and Shell occupy the top spots on opposite sides of Rystad Energy's M&A ranking for the oil and gas sector during the last five-year period.
